

**AEROSPACE ROAD SHOW IN ITALY,
TURIN – ROME - CAPUA, MARCH 18 – 19 - 20 2009**

COMPANY	ACTIVITY	WEBSITE	OBJECTIFS IN ITALY
AKKA TURIN	Product Engineering Consultancy Process engineering consultancy Documentation Consultancy Management & strategy consultancy IT consultancy	www.akka.eu	Develop activity in aerospace sector
ASSYSTEM TURIN ROME NAPLES	Engineering for aerospace industry	www.assystem.com	Increase collaboration with Italian aerospace companies
BODYCOTE CENTECH TURIN	Aerospace mechanical testing : Fatigue testing Fracture mechanics Static testing Calibration and ageing	www.centech-sa.fr	Find customers and partners
CODECHAMP TURIN	Optical Encoder	www.codechamp.fr	Find potential partners, meet space companies, find new customers
CPP EUROPE TURIN NAPLES	Investment castings aluminium & magnesium and super alloys Precision castings light alloys Sand castings aluminium & magnesium	www.cppcorp.com	To work with Italian customers/partners in Aerospace

E2V TURIN ROME NAPLES	Electronic components: Semiconductors, Electron- tubes, Microwave components	www.e2v.com	Find partners and new potential customers
ERAMET – Aubert&Duval TURIN ROME NAPLES	Steel and super alloy	www.aubertduval.fr	Develop sales
FIGEAC AERO TURIN	Subcontracting Structural parts manufacturer	www.figeac-aero.com	Find customers and partners to collaborate on aerospace programs
IFTS TURIN ROME NAPLES	Liquid filter testing Fluid particulate contamination analysis Component cleanliness assessment Filter and component wear test benches	www.ifts-sls.com	Find customers and partners to collaborate on aerospace programs
INTESPACE TURIN ROME NAPLES	Test sequences Software editor	www.intespace.fr	New business and market potential analysis - Partnership
<i>INVEST IN FRANCE AGENCY TURIN ROME NAPLES</i>	<i>The Invest in France Agency promotes and facilitates international investment in France. The IFA network operates worldwide. IFA works in partnership with regional development agencies to offer international investors business opportunities and customized services all over France.</i>	www.investinfrance.org	<i>Offer free assistance to Italian firms willing to develop their business or operations in France.</i>

ISIS-MPP TURIN ROME	Integration test, validation test, qualification test and production Telemetry Maintenance Repair and Operation	www.isismpp.fr	Promote our activity and find potential partnership
MICROSTEEL-CIMD TURIN	Steel and superalloy precision casting Alluminium components	www.microsteel.com	Develop sales and partnerships
NEXTER ELECTRONICS TURIN ROME NAPLES	Electronic equipment Energy Management & Distribution Human interfaces Command & control	www.nexter-group.fr	Find Italian companies with whom we could cooperate & participate in majors programs
PCC France TURIN ROME NAPLES	Ti Alloy casting Vacuum Alloy Air melted Alloy	www.pcc-france.fr	Develop contacts with Italian Aerospace & defence segment, Understand and estimate potential partnerships opportunities.
PARIS REGION ECONOMIC DEVELOPMENT AGNECY TURIN ROME NAPLES	Site local study Briefing about the aerospace players in Paris region Support in staff recruitment/interface with local public and private authorities	http://www.paris-region.com/ard/paris-region-economic-developpement-agency/live/publications/publications-aeronautics-4895.kjsp?RH=1204739840962	Meet senior executives in charge of the business development or sales concerning the French aerospace market to introduce our services
SAFRAN TURIN ROME	Aerospace propulsion Aircraft equipments Defence & Security	www.safran-group.com	B-to-B meetings with their Italian counterparts: Alenia, Avio, Agusta, Aermacchi, Eurocontrol, Selex SI
SMAC TURIN	Electronic damping & shock absorber solutions	www.smac.fr	Increase collaboration with Italian companies

	Aircraft noise damping solutions Underwater acoustic products		
SOPEMEA TURIN ROME NAPLES	Environmental tests Test engineering Test bench maintenance Training Qualification by simulation	www.sopemea.fr	Develop business with italian aerospace customers and to identify potential test labs for partnership
TRESCAL TURIN ROME NAPLES	Calibration of measuring instruments Repair of measuring instruments Management of park of equipments Procurement Metrology Training	www.trescal.fr	Better understanding of aeronautic and space industries of Italy, and their locations to develop the management and calibration of measuring equipments (including electrical)
